

# IEEE IRPS 2016 Pasadena Corporate Patron Form

Why should you be a Corporate Patron of IRPS 2016?

- Let your Customer know that your company is a leader in semiconductor device and systems reliability.
- Reach the niche market of microelectronics reliability engineers participating to the Symposium.

*For more than 50 years, the International Reliability Physics Symposium (IRPS) has been the premier conference for engineers and scientists to present new and original work in the area of microelectronics reliability. Drawing participants from the United States, Europe, Asia, and all other parts of the world, IRPS seeks to understand the interplay between the reliability of semiconductor components, integrated circuits, and microelectronic assemblies through an improved understanding of both the physics of failure as well as the application environment.*

## **IRPS 2016 Patronage Opportunities:**

### **Gold Level Patron (\$5,000):**

- Display your company logo on the IRPS web page with a link to your website
- Logo in attendee handouts
