

2018 International Reliability Physics Symposium Corporate Patron Form

IEEE

Why should you be a Corporate Patron of the IRPS 2018, to be held March 11- March 15 at the Hyatt Regency San Francisco Airport?

- Let your Customer know that your company is a leader in semiconductor device and systems reliability.
- Reach the niche market of microelectronics reliability engineers participating in the Symposium.

For more than 50 years, the International Reliability Physics Symposium (IRPS) has been the premier conference for engineers and scientists to present new and original work in the area of microelectronics reliability. Drawing participants from the United States, Europe, Asia, and other parts of the world, IRPS seeks to understand the interplay between the reliability of semiconductor components, integrated circuits, and microelectronic assemblies through an improved understanding of both the physics of failure as well as the application environment.

IRPS 2018 Patronage Opportunities:

Gold Level Patron (\$5,000):

- Display your company logo on the IRPS web page with a link to your website
- Logo in attendee handouts
- Acknowledgement at the plenary session
- Display logo in conference hallway signage

Platinum Level Patron (\$10,000):

- All Gold level benefits
- Logo prominently displayed on the IRPS website
- Name & logo acknowledgement in attendee handouts (1/4 page)
- Prominent display of logo in conference hallway signage

“A La Carte”/Event Patron (\$7,500):

Event Patrons receive Gold level benefits as well as other considerations listed below.

- ♣ Wireless Patron (1 available): Sponsor wireless in the hallways & exhibit area. Your company home page appears upon internet access sign-in.
- ♣ Mobile Apps Patron (1 available): Your company logo appears on the IRPS iphone/android apps launch page as the exclusive patron
- ♣ Registration Bag Patron (1 or 2 available): Company logo on bag/backpack distributed to all registered attendees.
- ♣ Social Event Patron (1 or 2 available for each event): Exclusive display of banner outside ONE event of your choice (workshop reception, poster reception, coffee breaks, breakfast, lunch, etc.)

Please contact the 2018 IRPS General Chair, Elyse Rosenbaum (elyse@illinois.edu), if you have any questions or to request a customized package.

Visit the conference website: www.irps.org.

Payment Details:

- Send checks to: IRPS c/o Widerkehr and Associates, 19803 Laurel Valley Place, Montgomery Village, MD 20886
- Credit Cards - Please send credit card information to the Conference Manager: Phyllis Mahoney (phyllism@widerkehr.com)

IRPS Highlights:

- 400+ professionals from semiconductor reliability area
- 100+ platform presentations, invited talks
- 70+ posters at the evening reception
- 20+ tutorials
- 20+ vendor exhibits for three days
- 10+ workshops and panel discussions

IRPS gratefully acknowledges the generous support of its 2017 corporate patrons:

Platinum level:

Gold level:
